Document: EBSA-2010-0050-DRAFT-0561

Comment on FR Doc # 2015-14921

Submitter Information

Name: Eileen Cid

General Comment

I believe all Americans that are smart enough to invest in a retirement plan are smart enough to determine for themselves how to use their retirement money. Please do not make regulation stating how I can use my hard earned retirement money. If the poor on welfare are free to choose how to use their welfare money those of us that work for a living should be able to decide how we use our money from all our income sources.
